The latest version of this information sheet is posted on the website of the District Science and Technology Department

([http://boe.townofmanchester.org/departments/sciencetech/science\\_technology.htm](http://boe.townofmanchester.org/departments/sciencetech/science_technology.htm)).

Dave Yakovich and Eric Larson of Silk City Television make it possible to provide this convenience to presenters.

The videos of all the Board of Education meetings since July 2008 may be viewed at any time over the internet through the website's "Silk City On Demand" feature. In addition, the program currently being broadcast by Silk City Television may be viewed through the website's "Silk City Live" feature. Thus, by visiting <http://www.channel16.org/default.cfm>, you can view Board of Education meetings even if you are not a Cox Cable subscriber.

Thank you,

Dr. Bob Pease
